Tour #: CD 04-23

Position: Drug Demand Reduction Prevention NCO(s)

d. Probability of criminal records checks, and/or security screening by LEAs of applicants serving in LEA offices or in positions where they are privy to operational information of LEAs. Applicants will be informed that such inquiries are likely to be completed after entry on duty and that rejection by LEAs could result in their removal from the Counterdrug program.

e. Standards of Conduct.

(1) Members are required to uphold the highest standards of conduct and personal appearance. Outside employment, associations and off-duty conduct/activities must be consistent with federal directives on ethics and with state and federal conflict of interest policies.

(2) National Guard members participating in the Counterdrug Support Program are required to comply with state laws and with DoD 5500.7-R. They are required to uphold the highest standards of conduct and personal appearance.

14. Other considerations:

a. Applicants must possess a Favorable Entrance National Agency Check /National Agency Check (ENTNAC/NAC) within past 10 years.

b. Personnel entering FTNGDCD must meet the medical standards set forth in AR 40-501, Chapter 2 or AFI 48-123, Attachment 2. This requirement can be met for soldiers with a current (within the last 60 days) Annual Medical Certificate reviewed by the State Surgeon, or Physician/Physician Assistant/Nurse Practitioner designee and a letter signed by the State Surgeon stating that the individual's retention physical meets the standards of AR 40-501, Chapter 2. If the soldier's condition warrants a 3 or 4 designation on any PULHES profiles, the soldier must appear before the State Medical Retention Board and be found to be deployable and meet retention standards of AR 40-501, Chapter 2, prior to FTNGDCD duty.

c. Army National Guard personnel must meet the HIV testing requirements of AR 600-110 (Identification, Surveillance and Administration of Personnel Infected with Human Immunodeficiency Virus (HIV)).

d. Air National Guard members must have a periodic medical examination within 24 months prior to entry and a current HIV test within 180 days prior to entry. ANG members age 40 or older must have an exercise tolerance treadmill test if the Cardiac Risk Index (CRI) is 10,000 or greater.

15. A 29-day probationary period will be part of the initial tour of duty for non-CD members. Pending performance and medical evaluation results, orders may be extended for the remainder of the fiscal year. PCS is authorized after 29 days. Applicants must be willing to relocate within the State of California.

16. Equal Opportunity: The California National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, or any other non-merit factor.

17. Interviews will be scheduled after the closing date. Questions can be directed to DDR First Sergeant @ DSN 466-3665 or COMM (916)-854-3665.
